To Whom It May Concern:

Please accept this letter in support of Luke Air Force Base and specifically for their F-35 mission. Luke Air Force Base is a vital component of the West Valley, and as the only active duty F-16 training base, is critical in our national defense. Luke Air Force Base would provide an ideal site for the F-35 training program and we at Banner Del E. Webb Medical Center wish them all the luck in the world!

Sincerely,

John L. Harrington, Jr, FACHE
