Dear Luke AFB Supporters,

On behalf of the Town of Carefree I am writing to support Luke Air Force Base as the home of the F-35 training mission.

Luke Air Force Base has a long and successful history as one of America's premier fighter training installations. Success in the past predicts success in the future and it would be appropriate to train pilots of the F-35 at this established facility.

Luke Air Force Base is a major contributor to Arizona's economy. Arizona has adopted Compatibility Standards to protect the base and its contribution to Arizona's economy. Carefree benefits when neighboring communities have a strong economic base and so we support your effort to continuing the training mission in your community.

Carefree looks forward to having Luke Air Force Base continue its role in protecting our Country.

Sincerely,

Mayor David Schwan
Town of Carefree
