Dear Ms. Scruggs,

The Greenlee County Board of Supervisors are proud to support the continuance of Luke Air Force Base in Arizona. As a major employer and contributor to our state's economy for the past 68 years, it is imperative that Luke Air Force Base remains as one of the nation's premier fighter pilot training installations and moves forward to become the second training site for the F-35 Lightning II.

Securing the F-35 training mission at Luke AFB is critical to Arizona as it will positively impact the state in many ways including stimulating the economy of Arizona and creating new jobs while enhancing our national security.

Please do not hesitate to contact our office if you need further information.

Sincerely,

GREENLEE COUNTY BOARD OF SUPERVISORS
