Dear Mayor Scruggs and fellow Luke AFB Supporters:

John F. Long Properties LLLP is proud to support Luke Air Force Base. From their economic impact to its active Community Initiatives Team, the existence of Luke AFB has had an important impact on the community, and ultimately the State of Arizona through its current mission to *train the world's greatest F-16 fighter pilots and maintainers, while deploying mission ready warfighters.*

As owner and developer of property in the West Valley, including property in El Mirage, Avondale, Glendale and Phoenix, John F. Long Properties is aware of Luke Air Force Base's significant contributions to the area. We actively support Luke AFB in a variety of ways: as a member of Fighter Country Partnership, through the Public Affairs office in support of base personnel and their families, and I am personally involved as an Honorary Wing Commander.

Luke Air Force Base has our support in its successful continuation to protect its expanding mission.

Sincerely,
JOHN F. LONG PROPERTIES LLLP
