

Office of the Mayor
and Council

August 31, 2009

Dear Luke AFB Supporters:

Luke Air Force Base has long been a mainstay in our state. It has provided economic and national security, on both a local and national basis. I whole heartedly support Luke's efforts in obtaining the approval of the Department of Defense to be a second training site for the F-35 Lightning II. This would not only be great for the State of Arizona, but for the country as well.

Sincerely,

Vernon B. Parker, Mayor
