Dear Sir or Madam:

It is my great privilege to extend to you the official support of The Centers for Habilitation/TCH in your efforts to secure the selection of Luke Air Force Base as the future site for the F-35 Training Mission.

TCH has been a partner with Luke AFB for more than 20 years as a contractor that has provided support in commissary operations and base-wide custodial services. We are proud of our mutually beneficial working relationship with Luke AFB and definitely desire to see the base grow and prosper. Luke AFB is not only critical to our country's national defense but its presence in Arizona has served as an economic engine for Maricopa County and surrounding areas.

On this important day that commemorates the service to our country by its men and women in uniform and celebrates the inestimable sacrifices made by our military veterans, I am pleased to offer our full support in your efforts on behalf of the F-35 Mission project.

Very Sincerely,

David B. Cutty, MA  
President and CEO
