Dear Luke Air Force Base Supporters:

The Town of Wickenburg is a strong supporter of Luke Air Force Base and its selection as an F-35 training base.

Wickenburg is not in close proximity to Luke AFB, but understands its importance to the region and the State. Without this critically important federal facility, there would a negative economic impact on our local citizens. Luke Air Force base is essential to our nation for its defense and is essential to Arizona's economy.

Wickenburg enthusiastically supports the selection of Luke Air Force Base as a training site for the F-35 Lightning II. The positive impact on the region and State also will have benefits in Wickenburg.

Sincerely,

Kelly Blunt
Mayor
